

POINTERS ON THE RACES.

The Second Special the Feature of Racing at Gravesend.

In All Probability Lamplighter Will Not Start.

Though Tammany and Lamplighter are announced as starters in the Second Special at Gravesend to-day, there is very little chance that both will be sent to the post. It is much more of a business man than the writer takes him to be.

The defeat of either of the colts would cause the match to fall flat and rob it of much of its interest. Besides, Lamplighter takes up a five-pound penalty for winning the First Special, and this is another good reason why Lamplighter should not start. Banquet, Sir Walter, Cadmus and Sir Francis are also entered in the Second Special.

The Neptune Stakes, for two-year-olds, at six furlongs, brings together Figaro, Frog Lamplighter, and two men, who are, Tenacious, Economist, Kazan and Little Matt. This is a really good field, and one that is likely to furnish an interesting race. Stonnell, Sirocco, Glenmoyne and Sarah Hamey, should win the sprinters in the opening event will go well. The closing race is likely to have a chance.

The entries and selections are as follows:

First Race—A sweepstakes of \$10 each, with \$750 added, five furlongs, six furlongs.
1. J. H. Collins' Sirocco
2. J. H. Collins' Sirocco
3. J. H. Collins' Sirocco
4. J. H. Collins' Sirocco
5. J. H. Collins' Sirocco
6. J. H. Collins' Sirocco
7. J. H. Collins' Sirocco
8. J. H. Collins' Sirocco
9. J. H. Collins' Sirocco
10. J. H. Collins' Sirocco

Prince George has a trifling cold, but should prevent him from winning. Tenacious seems to hold the place safe, and Annie Bishop may be third.

Second Race—A sweepstakes for three-year-olds of \$10 each, with \$750 added, one mile and a half.
1. J. H. Collins' Sirocco
2. J. H. Collins' Sirocco
3. J. H. Collins' Sirocco
4. J. H. Collins' Sirocco
5. J. H. Collins' Sirocco
6. J. H. Collins' Sirocco
7. J. H. Collins' Sirocco
8. J. H. Collins' Sirocco
9. J. H. Collins' Sirocco
10. J. H. Collins' Sirocco

If Glenmoyne is as good as his trainers report him to be, he will win this even rather easily. Cadmus seems to be the dangerous one, and Don Alonzo ought to beat the others.

Third Race—The Neptune Stakes, for two-year-olds of \$10 each, with \$750 added, six furlongs.
1. J. H. Collins' Sirocco
2. J. H. Collins' Sirocco
3. J. H. Collins' Sirocco
4. J. H. Collins' Sirocco
5. J. H. Collins' Sirocco
6. J. H. Collins' Sirocco
7. J. H. Collins' Sirocco
8. J. H. Collins' Sirocco
9. J. H. Collins' Sirocco
10. J. H. Collins' Sirocco

Tammany, with his five pounds allowance, will probably capture the second special. He is pretty near all right, and should not start. To do so would destroy all interest in the race. On Thursday, Sir Walter and Banquet will probably run second and third.

Fourth Race—A sweepstakes of \$10 each, with \$750 added, six furlongs.
1. J. H. Collins' Sirocco
2. J. H. Collins' Sirocco
3. J. H. Collins' Sirocco
4. J. H. Collins' Sirocco
5. J. H. Collins' Sirocco
6. J. H. Collins' Sirocco
7. J. H. Collins' Sirocco
8. J. H. Collins' Sirocco
9. J. H. Collins' Sirocco
10. J. H. Collins' Sirocco

Guttenburg Selections.
An attractive holiday programme is offered by the Hudson County Jockey Club to-day, and a very large crowd should be present to see it run. The fields are all large and the quality above the average.

The six-furlong handicap, with such performers as Geraldine, Victrola, Little Fred, Lisick and others in it, should result in a good contest. The entries:

First Race—Five and one-half furlongs: beaten horses, selling, \$100 each.
1. Van Wert, 115 lbs.
2. Van Wert, 115 lbs.
3. Van Wert, 115 lbs.
4. Van Wert, 115 lbs.
5. Van Wert, 115 lbs.
6. Van Wert, 115 lbs.
7. Van Wert, 115 lbs.
8. Van Wert, 115 lbs.
9. Van Wert, 115 lbs.
10. Van Wert, 115 lbs.

On form the order of the finishes should be as follows:
First Race—Kazan, Canvas, Hazel.
Second Race—Stonnell, Sir Walter, Post Maid.
Third Race—Mary S. Indigo, Rear Guard.
Fourth Race—Lisick, Victrola, Major Joe.

AT THE BROOKLYN THEATRES.

"The Sportsman," the Columbia's Attraction Next Week.

"Comrades" to Be Seen at the Grand Opera—Other Plays.

William Weston, author of "Jane," will have another of his productions, "The Sportsman," presented at the Columbia Theatre next week by a company which includes M. A. Kennedy, Hugo Toland, Herbert Porter, Robert Hickman, Jacques Martin and Misses Esther and Minnie Tittell and Nerrah Lamson. The Franz family of acrobats, three women and two men, who will appear in "The Sportsman," perform remarkable feats. The women appear in long dresses.

The good-sized audiences at the Park Theatre during the past week were something unexpected, as the "Comedy of Errors" had been there so often. The continuation of the play for another week is a necessity. Matinees will be given on Wednesday and Saturday.

"Comrades," in which Helene Mora has been playing to Eastern District audiences during the past week, will be presented at the Grand Opera, Monday evening. Specialties will be given by Helene Mora, Johnny Ray, Booker and Nerrah, the Allisons and the Quaker City quartet.

"The White Squadron," with its fine scenic effects and gorgeous costumes, will be seen at the Amphion Theatre next week. A. A. Whitaker and Elmer Grandin will fill the leading roles.

FLED FROM PORT TO PORT.

Francis H. Weeks Found No Safety in the Tropics.

Tired of Dodging Detectives He Appeals to a Lawyer.

While the representatives of this Government are striving to coax the Government of Costa Rica to extend the courtesy of giving up to Detectives Von Gerichten and Reilly the absconding trustee and embezzler of \$100,000 of the funds of widows and orphans, Francis H. Weeks, the story of the trials of Weeks is coming out.

Weeks left the United States May 2 on a Boston freight company steamship from Philadelphia. It took him and a female companion to Port Antonio, in the island of Jamaica. Weeks moved all over the island, and finally stopping at Kingston, where he registered at the Hotel de la Reine, as an American capitalist in search of a good business investment in the West Indian colonies and sugar culture.

One day he announced that he was going by a steaming ship to Port Antonio, and he was seen on the ship. He was seen on the ship, and he was seen on the ship. He was seen on the ship, and he was seen on the ship.

NEWS OF THE CHESS WORLD.

Plans for an International Tournament Again Arranged.

Tarrasch and Tschigorin Not Likely to Play in St. Petersburg.

Once more the members of the Manhattan, Brooklyn and City Chess Clubs have agreed to carrying out a scheme to arrange for an international chess tournament, to be played in this city very shortly. It may be stated at once that this contest will be a great success.

When the Columbia Chess Congress decided upon holding an international tournament for which the leading American and European masters had entered, the New York press subscribed about \$100. The metropolitan papers have also contributed the lion's share of the prizes for the tournament, which is to be played now.

HEAD OF FOUR CHURCHES.

Is It Any Wonder Ministers Break Down?

Bishop Phillips Brooks Died, as the Result of Overwork.

Rev. Henry Langford, the Eminent Preacher, Just Saved from Same Fate.

Overwork kills. The great Bishop, Phillips Brooks, was stricken down in the prime of his manhood and usefulness as the direct result of physical and nervous exhaustion brought on by overwork.

Now comes the news that Rev. Henry Langford, the eminent Baptist divine, of Weston, West Va., has just escaped utter nervous and physical prostration.

He is pastor of four churches. Is it any wonder that he broke down in health?

The reverend gentleman gives a very interesting account of himself and his troubles. "For ten years," he said, "I have been nervous and growing worse all these years. During the last four or five years I became so nervous I could scarcely sign my name and could read the Bible. I tried many remedies recommended by physicians, but found no permanent relief."

One day I was in the store of H. S. Jordan, at 14th St. and he said to me: "You take two bottles of Dr. Jaeger's Nerve Blood and nerve remedy, and if you say it doesn't help you need not pay for it."

"I took two bottles of this medicine, and found so much relief that I bought two more bottles, and now I am wonderfully improved in health and strength. Dr. Jaeger's Nerve Blood and nerve remedy did it. I can heartily and truthfully recommend it to the sick. Too much cannot be said in praise of this splendid medicine."

"I say this for the good of other sufferers from nervous and prostrating diseases who can be cured by this remedy. For myself I am thankful to God that I found Dr. Jaeger's Nerve Blood and nerve remedy and for what it has done for me."

You who suffer with nervous and physical weakness and prostration from overwork or from any cause have only to follow the example and recommendation of Rev. Mr. Langford in order to insure a return of health and strength. This truly remarkable and harmless vegetable remedy is Dr. Jaeger's Nerve Blood and nerve remedy, a specialist in curing nervous and chronic diseases. Dr. Jaeger, of 35 West 14th Street, New York. The doctor can be consulted in all cases free of charge, personally or by letter.

changing the complexion of the present Executive Board of the Chapter General of the Knights of St. John and Malta. He is the commander of Palestine Chapter, No. 1, and is a very popular man in the Order. Very Rev. Eugene J. Grand, Chancellor J. L. McElroy will doubtless be re-elected for the tenth time, as there is no one who will consent to run against him. He is popular with all factions.

BARBER HAMANN IS DEAD. Drink Made Him See Burglars Invisible to Others. Andrew Hamann, a barber, thirty-three years old, who lived at 208 East Twenty-fifth street, died early to-day in Bellevue Hospital.

About midnight last Wednesday a week Hamann rushed into the East Twenty-second street police station and told the Sergeant that there were burglars in his house. Policeman Luman went with him, but found no signs of burglars.

ANNOUNCEMENT!!

DR. JAEGER'S

Sanitary Woolen System Co.

176 Fifth Ave., below 23d St.

The HON. JUDGE GILBERTSLEEVE, of the Superior Court, has rendered his decision on the trial before him in regard to

JAEGER UNDERWEAR.

in which he sustains the DR. JAEGER COMPANY in its claim against the fraudulent use of the name "JAEGER." The Judge, in his decision, says as follows:

"The plaintiff's (the Dr. Jaeger Co.) right to use the name 'Jaeger' as designating underwear made in accordance with the Jaeger system is so qualifiedly exclusive that its right to protection of its use against infringement by others rests upon the ground that such use by them is an untrue or deceptive representation. The application of the name 'Jaeger' or 'Jaeger System' to underwear containing an admixture of cotton is an untrue and deceptive representation, and against such use the plaintiff (the Dr. Jaeger Co.) is entitled to relief."

"The testimony shows that the plaintiff (the Dr. Jaeger Co.) has dealt only in underwear made of PURE FINE WOOL." "The proofs show that the defendant (the defendant) is now selling for 'genuine Jaeger underwear' goods that are part cotton."

"The amount of cotton used in the making of these garments has varied from a small percentage of cotton up to upward of 50 per cent. of cotton" (which, as the Court correctly finds, cannot be distinguished from the all-wool garments, even by those who are daily handling the goods, because of the complete similarity in color and general appearance.)

"It is a false representation of fact, which tends to confuse the identity of the defendant's goods, not made after the Jaeger system, with the goods of the plaintiff (the Dr. Jaeger Co.), made in accordance with that system, and creates a dishonest competition detrimental to the plaintiff."

"One of the uses by the defendant (the defendant) of the name 'Jaeger' to designate underwear containing an admixture of cotton must be held to be for the purpose of taking advantage of the reputation which the all-wool 'Jaeger' goods have acquired, and of the name 'Jaeger' as applied thereto."

"The application of the name 'Jaeger' by defendant (the defendant) to goods part cotton tends to deceive the purchasers and users of plaintiff's goods and actually misled them into buying goods containing cotton sold by defendant in the belief that they were the goods dealt in by the plaintiff. Moreover, since the goods containing cotton can be profitably sold at a less price than the all-wool goods, the tendency must be to unfairly divert custom from the plaintiff to the defendant (the defendant)."

"Upon the grounds set forth, I hold that the plaintiff (Dr. Jaeger's Co.) has shown the defendant (the defendant) guilty of unfair competition in advertising and selling as 'genuine Jaeger underwear' underwear containing a substantial admixture of cotton, and that the plaintiff is entitled to an accounting, accompanied by an injunction."

In view of these facts it is idle to deny the substantial victory of the Dr. Jaeger Company in their efforts to protect the public against "dishonest competition."

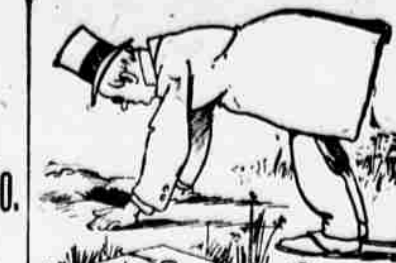

Another decision in favor of the Dr. Jaeger Co. has just been rendered in the United States Circuit Court of California by the Hon. Judge McKenna Circuit Judge. This decision reads as follows:

"Adjudged and decreed that the defendants be forever restrained from preparing, selling or offering for sale any goods bearing or stamped with or advertised as 'Dr. Jaeger's,' or bearing any designation containing the words 'Dr. Jaeger,' or 'Prof. Dr. Jaeger,' or the word 'Jaeger,' that the said defendants be also forever restrained from advertising in newspapers or elsewhere or in any way representing that the goods sold by them are 'Dr. Jaeger's' goods, or 'Prof. Dr. Jaeger's' goods, or 'Jaeger's' goods."

The Dr. Jaeger Company will continue as heretofore to spare no effort or expense to protect the public against inferior articles put upon the market under the name of

JAEGER UNDERWEAR.
